

MistAMERICA Creates the Perfect Outdoor Environment

The Mist360™

MistAMERICA's new premiere cooling product, The Mist360 fan successfully cools up to 350 square feet at a 360 degree motion. The Mist360 comes in standard ceiling fan mount as well as cantilevered arm and floor stand. Our distinctive custom design brings cooling a whole new look. This product is perfect for cooling any outdoor area comfortably.

Features:

- ▶ Cools outdoor areas by 30 degrees
- ▶ Broadcast cool air 360-degrees in a 15ft/4.5 m radius
- ▶ Equipped with Ruby-orifice nozzles to ensure finest mist
- ▶ 100% evaporation for maximum cooling
- ▶ Equivalent cooling effect of 8 tons of AC
